Procedure for Public Hearing:

Staff will present a report on the history, physical features, etc., on the application followed with the staff's recommendations. The applicant will make a presentation. Thereafter, interested members of the community may speak on the proposal. When all interested parties have had an opportunity to be heard, the hearing will be closed, and no further discussion from the floor can be held. The Commission will then consider the evidence and make its recommendation. If you challenge a public hearing item in Court you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, the public notice, or in written
